

General Remarks and Recommendation :

- RVS agricultural college, Thanjavur was established by Rathinavel Subramaniam Educational Trust during 2014. The college is having sufficient land for wet land, dry land, garden land, orchard, Botanical Garden, herbal garden and woodlot etc. as per the requirement, which are the basic necessities for imparting agricultural education.
- The orchard is well established with various fruit crops to support self-learning.
- Museum present in the RVS agricultural college is an appreciable manner
- Sufficient learning resources (Text books in each subjects, News papers, magazines and journals) are available in the library
- Maintenance of log books in all the laboratories may be strengthened

- The facilities available in the Agricultural Engineering inclusive of Farm Implements need to strengthened
- Wi-Fi /internet facility may be provided for student's hostels and college premises.
- Required Farm Tools and Implements may be purchased and strengthened

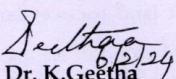

Feedback from Students:

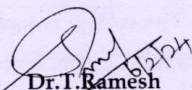

1. Students' feedback is good. Students are satisfied with facilities available particularly academic facilities and activities
2. Nominal bus charges for transport facilities may be rented especially for day scholar students
3. Water facilities in the hostel may be improved
4. Hostel facilities for boys needs to be improved
5. More number of exposure visits to farmers' fields and institute have to be arranged.
6. The placement of the students in reputed companies has to be invited and placement cell should be strengthened.
7. Incinerator facilities may be strengthened in the girls' hostel.

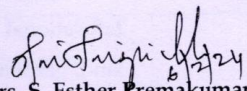

Feedback from Staff:

1. Salary for teaching and non-teaching staff is not paid as per UGC norms. Necessary action to be taken to overcome the grievances in the staff salary being provided. The salary has to be regularized according to staff cadre as per the UGC norms
2. Laboratory Assistant strength need to be increased.

The RVS Agriculture College, Thanjavur scores 75.92 % of compliance. The deficiencies pointed out should be rectified before the start of academic year 2023-2024.
